

EXTENDED PROTECTION PLAN

The UD extended protection plan has been offered to allow operators long term peace of mind in their new UD.

The advantages of the UD extended protection plan are:

FULLY TRANSFERABLE

The resale value of your UD is further enhanced because the plan is fully transferable between owners (subject to approval by UD Trucks Australia Pty Ltd).

PARTS AND LABOUR COVERED

The extended protection plan covers parts and labour so there are no hidden outlays.

NATIONWIDE COVERAGE

Present your vehicle to any UD dealer nationwide for coverage under this protection plan.

MK5, MK6, MK6 plus

5 YEARS/300,000 km

PK9, PK10

5 YEARS/350,000 km

See over for details

Eligibility

The extended protection plan is available on all new MK and PK model vehicles. The extended protection plan must be purchased within 60 days of the original delivery date of the vehicle.

Coverage

The extended protection plan will cover all listed major component parts. Parts and labour charges will be covered under the extended protection plan.

Components Covered
